The Hub at the LGBT Visitor Center  
1130 Washington Avenue  
Miami Beach, FL 33139

3rd Tuesday of Every month

7:00 PM – 8:30 PM

The cancer experience for the LGBTQ community is colored by specific needs that at times may not be addressed in general support groups. This monthly support group provides a safe space for survivors and their loved ones to discuss and process their cancer journey.
